

PlaySmart – Video Tutorial

Text on screen:

My PlaySmart

Voiceover:

OLG is a place to go for fun. And to keep the fun in the game, PlaySmart has built 4 tools to help you play, personalized. It starts with My Play Customizer.

Text on screen:

My Play Customizer

Video:

Shows sliders for time and budget similar to an audio board.

Voiceover:

Where you take control of your game by setting your own time and money budgets. Allowing you to customize your play to just how you like it, while still keeping it fun every time you play. Next, is My Play Profile.

Text on screen:

My Play Profile

Video:

Shows a survey along with symbols for Poker, roulettes, sports betting and slot machines.

Voiceover:

Answer nine simple questions about your playing habits so you can see what kind of play best suits you. There's also the My Play History.

Text on screen:

My Play History

Video:

Shows Playing cards in a pattern, along with icons of other games such as roulettes and slot machines.

Voiceover:

Here, you'll learn how to keep your time on OLG fun with personalized feedback about your play patterns. Knowing your play habits can help you make better decisions when playing. And the last tool you'll find here is My PlayBreak

Text on screen:

My PlayBreak

Video:

Shows a calendar, with days being filled in with orange as the screen is filled with calendars. Each calendar then grows thicker.

Voiceover:

If at any point gambling isn't as fun as it used to be, My PlayBreak can help you take a break—from 1 day up to 5 years.

Video:

A laptop opens and logs into OLG.ca as it displays the four icons for the PlaySmart tools one last time.

Voiceover:

These 4 easy-to-use tools give you the power to keep gaming fun and make every play with confidence. To get started, go to your account and click on 'My PlaySmart Tools.'
